New Home Barware... featuring Lexington Tumblers

from **Libbey** the House of Barware

The pride today's home entertaining hosts take in their widening knowledge of food and beverages is taxing their "normal" glassware supply. This versatile, easy-to-buy barware line fills that need... gives them that secure, professional feeling at home.

New Display

... here's the first cousin to the VASPA award-winning, one-piece die-cut display introduced last year. It is only 28 inches wide but holds the full line of seven stemware and seven tumbler items. Order L-2395.

New Carton

... each item is packed in this new, colorful 12-piece set that doubles beautifully as an eye-catching display carton.
